AMADOR COUNTY HOMELESS TASK FORCE
PRESENTS THE 6TH ANNUAL

HOMELESS RESOURCE FAIR

To Whom It May Concern,

Thank you for your interest in a sponsorship for **Amador County's 6th annual Homeless Resource Fair on May 18-19, 2025.** The Homeless Resource Fair is a project of the Amador County Homeless Task Force, with fiscal sponsorship by local 501c3 nonprofit SmallChange4Big. Your contribution supports two days of dynamic programming, nutritious meals, and direct services geared to uplift, empower, and encourage Amador County's most vulnerable residents along their journey with homelessness.

Data from prior events indicate an approximate attendance of seventy individual consumers, and twenty-eight provider agencies, clubs, churches/organizations. Many attendees are medically fragile, grappling with mental illness, and managing the long-term impacts of chronic homelessness. While housing is scarce, bringing human services agencies together in an accessible environment ensures that available resources are linked with the people who need them most.

Our success depends on the financial support of key community partners like you! Sponsorship can be offered in a number of ways, not only financially. Below you will see a list of suggested sponsorship amounts/options.

Our goal is to improve life quality, position unhoused Amador residents to safely navigate seasonal demands, and empower this vulnerable population to maintain their own health and wellness. By doing so, we reduce the strain on our local Emergency Department and Law Enforcement agencies.

For questions, please contact Tyx Pulskamp at 916-607-9691 or email: tyxpulskamp@gmail.com

Thank you for ensuring this year's Homeless Resource Fair is a success! We couldn't do it without you!
